

# You Got Me

## Avant

Just like eve done to Adam (you got me)  
Temptation so strong I don't want to even (you got me)  
I'm in quick sand with cement shoes (you got me)  
And like Lucille I'm singing the blues (you got me) Girl your my water  
Like my money  
Your my suga'  
You got me Girl your love flow through me  
And I can't keep my hands off you  
Girl you taste so damn sweet (yes you do, you got me) See you are the reason that I haven't turned my TV on  
(you got me)  
And you are the reason that I don't listen to love songs (you got me)  
And you are the reason that I haven't ate in days (you got me)  
And you will be the reason that this man would fade away (you got me) Don't you know, don't you know  
I'm sitting around like a bump on a log  
Dragging my feet waiting for your call  
Mama called me about a quarter to nine (can't answer)  
Didn't answer the call don't want to block my line Girl your my water  
Like my money  
Your my suga'  
You got me Girl your love flow through me  
And I can't keep my hands off you  
Girl you taste so damn sweet (yes you do, you got me) There's a reason why I'm feeling this way about you girl  
You got me going crazy, naw you just don't understand your gown got you slippin'  
your rollers and your hair piece  
your flowers and your pillow  
your lotion and your perfume  
the way we used to celebrate  
the times that you would make me wait  
the joy you brought to my home  
but now everything is gone Your my water (Girl your love flow through me)  
Like my money (And I can't keep my hands off you)  
Your my suga' (Girl you taste so damn sweet you got me) You got me, you got me, whoa  
Your my water (Girl your love flow through me)  
Like my money (And I can't keep my hands off you)  
Your my suga' (Girl you taste so damn sweet you got me) Its alright its alright ooh baby  
Its alright its alright, its alright now  
I used to be sad, but now  
Its alright its alright ooh baby  
Its alright its alright, its alright now
