Door 2.12

Mnemic

You can tell it to my face
But I will never know what you mean
Silence triggers the adrenaline
Some things are never meant to be seenSteel plate nailed into the corner
Be sure that people know what it means
The room is empty yet so full of lives
Not everything is what it seemsHesitating or speeding
It's all just a bleeding way to be
Heading down the same old road
That'll lead you to the place I seeI've been thereDo you see? Do you see me?
Do you see what I mean? Be sure thatThe sun never shines behind door 2.12
It gotta be cold behind door 2.12Eyes closed, everything's at ease
I get to go where no one goes when alive
If you'd seen the things I've seen
You'd know that there's no way to surviveThe sun never shines behind door 2.12
It gotta be cold behind door 2.12
This is peace of mind behind door 2.12
I feel so cold behind door 2.12Do you see? Do you see me?
Do you see what I mean?
