

# So You'll Aim Toward The Sky

## Grandaddy

So you'll aim toward the sky  
And you'll rise  
High today, fly away  
Far away, far from painSo you'll aim toward the sky  
And you'll rise  
High today, fly away  
Far away, far from painSo you'll aim toward the sky  
And you'll rise  
High today, fly away  
Far away, far from painSo you'll aim toward the sky  
And you'll rise  
High today, fly away  
Far away, far from pain
