All Over Again

The Stumble

I got a good mind to give up living
And go shopping instead
I said I got a good mind to give up living
And go shopping instead

Go pick me out a tombstone, and be pronounce stone dead
When I read your letter this morning baby
I was in your place in bed
When I read your letter this morning baby
I was in your place in bed

That's when I decided I'll be better off, better off dead
The letter read it's no use you looking for me baby
Or ever hoping to get me back
There's no use you looking for me baby
Or ever hoping to get me back

Cause it's all over now baby. Heyyyy baby
Bet on that.

It's no use you looking for me baby
Or ever hoping to get me back
Said it's no use you looking for me baby
Or ever hoping to get me back

Cause it's all over now baby. Heyyyyyy
