

Them Eyes

Gail as in Gail

Hey, can you see my cryin'
Hey, don't you see me dyin'
When I look into them eyes I know that I did you wrong
The pain it lasted so long
But if you don't bring me back this time
I swear I'm gonna lose my mind Hey, can you see me running
Hey, don't you know I'm comin'
When I think about them eyes
