

Comatose

Quantec

Let's Keep going 'til we're comatose

Oh oh oh

Let's Keep going 'til we're comatose

Give it to me 'til I, I can't take no more

Give it to me 'til the lights, they go out

and we are shoutin'

Oh oh oh

Let's Keep going 'til we're comatose

Oh oh oh

Let's Keep going 'til we're comatose

I got a crush onn ya

Maybe tonight I'll put the rush on ya

Attracted when I got a touch of ya

Think you could handle me

And all the fun I bring

It must be destiny

Why else would I be feeling so horny

That's why you're here in front of me (of me)

Let's get it in 'til the morning (oh oh)

Give it to me 'til I, I can't take no more

Give it to me 'til the lights, they go out

and we are shoutin'

Oh oh oh

Let's Keep going 'til we're comatose

Oh oh oh

Let's Keep going 'til we're comatose

You feel the tremblin'

That;s my body saying I'm ready

A little forward, [????]

Clock is tickin and I don't wanna waste no time

Hold Me

Once you feel it flooded

Go Slowly

Two pieces of a puzzel

You know me

The prefect fit I I I

Ready for you

Give it to me 'til I, I can't take no more

Give it to me 'til the lights, they go out
and we are shoutin'
Oh oh oh
Let's Keep going 'til we're comatose
Oh oh oh
Let's Keep going 'til we're comatose
Let's keep going
Give it to me
I can't wait
