

# Temptation (Extended Mix)

## Heaven 17

I've never been closer  
I've tried to understand  
That certain feeling  
Carved by another's hand But it's too late to hesitate  
We can't keep on living like this  
Leave no track  
Don't look back (All I desire)  
Temptation  
(Keep climbing higher and higher)  
Temptation  
(Adorable creatures)  
Temptation  
(With unacceptable features)  
Temptation  
(Trouble is coming)  
Temptation  
(It's just the high cost of loving)  
Temptation  
(You can take it or leave it)  
Temptation  
(But you'd better believe it) You've got to make me an offer  
That cannot be ignored  
So let's head for home now  
Everything I have is yours  
Step by step and day by day  
Every second counts I can't break away  
Leave no trace  
Hide your face (All I desire)  
Temptation  
(Keep climbing higher and higher)  
Temptation  
(You can take it or leave it)  
Temptation  
(But you'd better believe it) Step by step and day by day  
Every second counts I can't break away  
Keep us from temptation  
Keep us from temptation  
Keep us from temptation  
Lead us not into temptation (All I desire)

Temptation  
(Keep climbing higher and higher)  
Temptation  
(Adorable creatures)  
Temptation  
(With unacceptable features)  
Temptation  
(Trouble is coming)  
Temptation  
(It's just the high cost of loving)  
Temptation  
(You can take it or leave it)  
Temptation  
(But you'd better believe it) You've got to make me an offer  
That cannot be ignored  
So let's head for home now  
Everything I have is yours  
Step by step and day by day  
Every second counts I can't break away  
Leave no trace  
Hide your face (Trying to find it)  
Temptation  
(You've got to get up behind me)  
Temptation  
(Put your dime in the hot slot)  
Temptation  
(But it's a million to one shot)  
Temptation  
(You think that you're right now)  
Temptation  
(You're going to fake it tonight now)  
Temptation  
(Give me a breakdown)  
Temptation  
(Because it's time for a shakedown) (Temptation)  
It's just temptation (Temptation)
