Back for Good

Back For Good

I guess now it's time for me to give up, I feel it's time
Got a picture of you beside me
Got your lipstick mark still on your coffee cup, oh yeahGot a fist of pure emotion
Got a head of shattered dreams
Gotta leave it, gotta leave it all behind nowWhatever I said, whatever I did
I didn't mean it
I just want you back for good
Want you back, want you back
I want you back for goodWhenever I'm wrong
Just tell me the song and I'll sing it
You'll be right and understood
Want you back, want you back
I want you back for goodUnaware but underlined
I figured out this story, it wasn't good
But in the corner of my mind I celebrated glory
But that was not to beIn the twist of separation
You excelled at being free
Can't you find a little room inside for meWhatever I said, whatever I did
I didn't mean it
I just want you back for good
Want you back, want you back
I want you back for goodWhenever I'm wrong
Just tell me the song and I'll sing it
You'll be right and understood
Want you back, want you back
I want you back for goodAnd we'll be together, this time is forever
We'll be fighting and forever we will be
So complete in our love
We will never be uncovered againWhatever I said, whatever I did
I didn't mean it
I just want you back for good
Want you back, want you back
I want you back for goodWhenever I'm wrong
Just tell me the song and I'll sing it
You'll be right and understood
Want you back, want you back
I want you back for goodWhatever I said, whatever I did
I didn't mean it
I just want you back for good

Want you back, want you back
I want you back for goodWhenever I'm wrong
Just tell me the song and I'll sing it
You'll be right and understood
Want you back, want you back
I want you back for goodOh yeah
I guess now it's time
That you came back for good
