

# Another Toe In the Ocean

## Pixies

I have a drink I start to sink  
I put my toe in the ocean  
I have a drink I start to sink  
Another toe in the ocean  
Down on the shelf an elf I saw  
I took his picture he was waving  
I passed again and now they're gone  
I think my picture is worth saving  
No more waiting for a new day  
You've got to swim sometimes  
I'll be here for the rest of my life  
Up in the land of green  
Making love in the cool, black sand  
Thinking where I've been  
I put my toe in the ocean  
Another toe in the ocean  
Merry making with the fairies  
Going down to the onion patch  
To you and me to shining seas  
I see the lights of Edward Thatch  
No more waiting for a new day  
You've got to swim sometimes  
I'll be here for the rest of my life  
Up in the land of green  
Making love in the cool, black sand  
Thinking where I've been  
I put my toe in the ocean  
I have a drink I start to sink  
Another toe in the ocean  
I have a drink I start to sink  
I put my toe in the ocean  
I have a drink I start to sink  
Another toe in the ocean  
I have a drink I start to sink  
Another toe in the ocean
