

# I Like It (Waveshock pres Elite Sound Remix)

## Narcotic Thrust

I hate the treadmill everyday  
I hate the mundane things they say  
The boredom sets in 9 to 5  
At night that's when I come alive I long to be connected  
I long to be affected  
The bright lights beckon me  
Beckon me to you I like it when we go to extremes  
I like it when you enter my dreams  
I like it when I feel your touch  
I like it, I like it so much I like it when we're one on one  
I like it when we come undone  
I like it when we go to extremes  
You let me, let me live my dreams I like it so much  
I like it so much  
I like it so much  
I like it so much There must be more to life than this  
This life I surely will not miss  
To spend my time waiting in line  
In search for something, the grand design I long to be connected  
I long to be affected  
The bright lights beckon me  
Beckon me to you I like it when we go to extremes  
I like it when you enter my dreams  
I like it when I feel your touch  
I like it, I like it so much I like it when we're one on one  
I like it when we come undone  
I like it when we go to extremes  
You let me, let me live my dreams I like it so much  
I like it so much  
I like it so much  
I like it so much I long to be connected  
I long to be affected  
The bright lights beckon me  
Beckon me to you I like it when we go to extremes  
I like it when you enter my dreams  
I like it when I feel your touch  
I like it, I like it so much I like it when we're one on one  
I like it when we come undone  
I like it when we go to extremes

You let me, let me live my dreams I like it so much

I like it so much

I like it so much

I like it so much
