# Give Me One More Chance

## Selena

I'm sorry
For the things that I have done to you
I never thought I'd break your heart in two
I'll make it up to you somehow
Forgive me
Don't hate me for what I have done to you
I realize that it is you I love
I'll mae it up to you somehow
Please be kind
And I know you'll find, it's easy to forgive
I know that's hard, to forgive and forget
But darling give me one more chance
I'm sorry

For the things that I have done to you
I'm gonna try to make it up to you
Won't you give me one more chance
Won't you give me one more chance
Just give me, just give me, just give me
Just give me one chance
Just give me one more chance
What can I do
To make it up to you
'Cause I love you, I love you
I love you so
Please give me one more chance
One chance
