

# Give Me One More Chance

Selena

I'm sorry  
For the things that I have done to you  
I never thought I'd break your heart in two  
I'll make it up to you somehow  
Forgive me  
Don't hate me for what I have done to you  
I realize that it is you I love  
I'll mae it up to you somehow  
Please be kind  
And I know you'll find, it's easy to forgive  
I know that's hard, to forgive and forget  
But darling give me one more chance  
I'm sorry

For the things that I have done to you  
I'm gonna try to make it up to you  
Won't you give me one more chance  
Won't you give me one more chance  
Just give me, just give me, just give me  
Just give me one chance  
Just give me one more chance  
What can I do  
To make it up to you  
'Cause I love you, I love you  
I love you so  
Please give me one more chance  
One chance
