Hope for the Future

S Club 7

On my mind, oh
Oh yeahI'm out for the weekend
Da do do daaa
With nothing to do
Da do do daaa
I'm missing the good times
What about you? Yeah
Oh yeah, oh yeahNow we could be lovers
Da do do daaa
Now we could be friends
Da do do daaa
Now we could do anything
We can pretend, yeahOnce upon a time
Don't you know that I was wrong and you were rightSomething's coming over me
Changed my mind, now I can see
You're my hope for the future
Girl you know we've come so far
Don't let go and break my heart
You're my hope for the futureBack there in high school
Da do do daaa
Foolish and free
Da do do daaa
I never realized
How sweet it could be, yeah
Doo dooOnce upon a time
Don't you know that I was wrong and you were rightSomething's coming over me
Changed my mind, now I can see
You're my hope for the future
Girl you know we've come so far
Don't let go and break my heart
You're my hope for the futureSomething's coming over me
Changed my mind, now I can see
You're my hope for the future
Girl you know we've come so far
Don't let go and break my heart
You're my hope for the futureSomething's coming over me
Changed my mind, now I can see
You're my hope for the future
Girl you know we've come so far

Don't let go and break my heart
You're my hope for the futureSomething's coming over me
Changed my mind, now I can see
You're my hope for the future
Girl you know we've come so far
Don't let go and break my heart
You're my hope for the futureSomething's coming over me
Changed my mind, now I can see
You're my hope for the future
Girl you know we've come so far
Don't let go and break my heart
You're my hope for the futureHope for the future
Oh yeah, yeah
You're the one for me
