# Made in the USA

## Jason Chen

Our love runs deep like a Chevy
If you fall, I?ll fall with you baby
?Cause that?s the way you like to do it
And that?s the way you like
You run around, open doors like a gentleman
Tell me ?Girl, every day, you?re my everything?
?Cause that?s the way you like to do it
And that?s the way you like
Just a little West Coast and a bit of sunshine
Hair blowing in the wind, losing track of time
Just you and I
Just you and I
No matter how far we go
I want the whole world to know
I want you bad
And I won?t have it any other way
No matter what the people say
I know that we?ll never break
?Cause our love was made
Made in the USA (x2)
You always read my mind like a letter
When I?m cold, you?re there like a sweater
?Cause that?s the way you like to do it
And that?s the way you like
I?ll never, ever let the world get the best of you
Every night we?re apart, I?m still next to you
?Cause that?s the way I like to do it

And that?s the way I like
We touch down on the East Coast, dinner on the sky rise
Winter is the best time for walking in the city lights
You and I
You and I
No matter how far we go
I want the whole world to know
I want you bad
And I won?t have it any other way
No matter what the people say
I know that we?ll never break

?Cause our love was made
Made in the USA
Baby, I?ll bite the bullet
And take the blows for love
Our love, was made in the USA (x3)
No matter how far we go
I want the whole world to know
I want you bad
And I won?t have it any other way
No matter what the people say
I know that we?ll never break
?Cause our love was made
Made in the USA (x2)
Made in the US
Made in the US
Made in the USA
