Climbing Trees (feat. Josh Taylor)

Justin Jay

instrumentals

I can't explain the fun in climbing trees and I can't describe ( ) catching honey bess
I've got a lot of questions
But I don't question anything
I can't explain the fun in skipping rocks
Or the reason I don't like matching socks
I've got a lot of questions but I don't question anything

instrumentals

I can't explain why I'm still scare of the dark
Or the reason why blankets make good body guards
I've got a lot of questions but I don't question anything
Oooo oooo oooo oooo
Ooo ooo ooo oooo
Woooo ooooo
Woooo Ohhhhhhn

Ooooo oooo oooo
Ooooo ooooo
Wooo oooooo
Wooooo Ohhhh

Repeat
When was the last time

Repeat
Last time

Repeat
Last time

When was the last time that you climbed a tree?
Felt the grass on your back and the sun on your feet
Who says that your beds only meant for sleep?
As long as you can bounce, it's a trampoline
