

Wild World (Mad Max 2015 Trailer song)

Cat Stevens

Now that I've lost everything to you
You say you want to start something new
And it's breaking my heart you're leaving
Baby, I'm grieving But if you want to leave, take good care
Hope you have a lot of nice things to wear
But then a lot of nice things turn bad out there Oh baby baby it's a wild world
It's hard to get by just upon a smile
Oh baby baby it's a wild world I'll always remember you like a child, girl
You know I've seen a lot of what the world can do
And it's breaking my heart in two
'Cause I never want to see you sad girl
Don't be a bad girl
But if you want to leave take good care
Hope you make a lot of nice friends out there
But just remember there's a lot of bad and beware
Beware Oh baby baby it's a wild world
It's hard to get by just upon a smile
Oh baby baby it's a wild world
And I'll always remember you like a child, girl Baby I love you, but if you want to leave take good care
Hope you make a lot of nice friends out there
But just remember there's a lot of bad
And beware, beware Oh baby baby it's a wild world
It's hard to get by just upon a smile
Oh baby baby it's a wild world
And I'll always remember you like a child, girl
