

# Pop Singer

[John Mellencamp](#)

Never wanted to be no pop singer  
Never wanted to write no pop songs  
Never had no weird hair to get my songs over  
Never wanted to hang out after the showPop singer  
Of pop songsNever wanted to have my, my picture taken  
Now, who would want to look into these eyes?  
Just want to make it real - good, bad, or indifferent  
That's the way that I live, and the way that I'll dieAs a pop singer  
Writing pop songsPop singer  
Of pop songsNever wanted to be no pop singer  
Never wanted to write no pop songs  
Never wanted to have a manager over for dinner  
Never wanted to hang out after the showPop singer  
Of pop songsPop singer  
Writing pop songsNever wanted to be no pop singer  
Pop songsA pop singer  
Never wanted to write no pop songs
