

5.15 The Angels Have Gone (Berlin 2002)

David Bowie

5:15

I'm changing trains

 This little town

 Let me down

 This foreign rain

Brings me down 5:15

 Train overdue

 Angels have gone

 No ticket

 I'm jumping tracks

 I'm changing towns

 We never talk anymore

Forever I will adore you 5:15

 All of my life

 Angels have gone

 I'm changing trains

 Angels like them

 Thin on the ground

 All of my life

 All legs and wings

Strange sandy eyes 5:15

 Train overdue

 Angels have gone

 We never talk anymore

 Forever I will adore you

 Cold station

 All of my life

 Forever I'm out here forever
