I Should Care

Shirley Bassey

I guess I should pity me
But I don't because you see
I have loved and I have learned
And as far as I'm concernedI should care
I should go around weeping
I should care
I should go without sleeping
Strangley enough I sleep well
'Cept for a dream or two
But then I count my sheep well
Funny how sheep can lull you to sleepI should care
I should let it upset me
I should care
But it just doesn't get me
Maybe I won't find someone
as lovely as you!
But I should care and I do!
