Black Ocean

Trees Of Eternity

Don't be scared,
you'll make it through.
Clean your dirty wounds.
Tears will fall like lemon drops
And split your heart in two.We will dive into the black ocean,
Into the black ocean
Into the black ocean
Into the black ocean
And swim away.Oh no no no [x8]Oh no no no (There's no time for love) [x8]Oh no no no [x12]
