Let Love Win

Carrollton

Lord Your love builds bridges that cannot be burned
It speaks truth that cannot be learned
It's a treasure we can never earn
It goes places we're afraid of going
It's not a fist it's a hand wide open
Reaching out to the down and broken

We believe Your love is the strongest way
You're tearing down walls and You break our chains
Even in this darkness hope will rise again
When we lay down our weapons we will let love win
Lord we lay down our weapons and we let love win

Lord Your love is a friend to its enemies
It takes a hit then turns a cheek
You laid down Your life for peace
Love won't cast a single stone
It's never proven by words alone
You come alive in our flesh and bones and in our souls

We believe Your love is the strongest way
You're tearing down walls and You break our chains
Even in this darkness hope will rise again
When we lay down our weapons we will let love win
Lord we lay down our weapons and we let love win

What if fighting for our beliefs
Looks more like surrendering
Though that's the hardest thing
What if standing up for what's right
Means laying down our pride
Even laying down our lives

We believe Your love is the strongest way
You're tearing down walls and You break our chains
Even in this darkness hope will rise again
When we lay down our weapons we will let love win
We believe Your love is the strongest way
You're tearing down walls and You break our chains
Even in this darkness hope will rise again

When we lay down our weapons we will let love win
Lord we lay down our weapons and we let love win
