Running

Handsome Devil

Poison arrows press and pierce my skin,
when Autumn comes,
I lose my faith again,
You know I'm on the run,
Come with me you just might have some fun,
Follow me from St. Paul to Scottsdale,
down to Mexico, Running,
All The Way from St. Paul to Scottsdale,
down to Mexico, Running,
I traveled far and shed so many tears,
and nothing really scares me more than fear,
You know I'm on the run,
Come with me youst might have some fun,
Follow me from St. Paul to Scottsdale,

down to Mexico, Running,
All The Way from St. Paul to Scottsdale,
down to Mexico, Running,
And when I get away,
You know I'm gone,
and when I finally escape,
I'm running on.
Follow me from St. Paul to Scottsdale,
down to Mexico, Running,
All The Way from St. Paul to Scottsdale,
down to Mexico, Running,
[x2]down to Mexico, Running.
