

# C U Next Tuesday

Ke\$ha

I was looking lost, it was cold outside  
The whiskey rocks, how you caught my eye  
My red lips painted just up in black  
I needed something to bring me back  
You knew the play and we danced all night  
But something wasn't right So, I'll C U next Tuesday  
If I ever get desperate  
Or I'm so beyond faded, it's just a'll C U next Tuesday  
Kinda nice out this morning  
I won't sit around waiting And I'm not just being cold  
I'm just watching you pretend  
Like your heart is on your sleeve  
When I know you have a girlfriend  
Oh, I'll C U next Tuesday, oh, oh You don't call and you won't admit  
The lies you spin for your power trip  
And I just can't take you seriously  
When all you send is a text to me  
So, I'll be gone when the morning comes  
Let's not pretend it's love So I'll C U next Tuesday  
If I ever get desperate  
Or I'm so beyond faded, it's just a'll C U next Tuesday  
Kinda nice out this morning  
I won't sit around waiting And I'm not just being cold  
I'm just watching you pretend  
Like your heart is on your sleeve  
When I know you have a girlfriend  
(I know you have a girlfriend)  
I'll C U next Tuesday I don't want anything from this  
I got your number, don't call me  
I'll call you if I need a hit I don't need no drama from this  
I know you got your girl  
I don't need a dude on my shit So I'll C U next Tuesday  
(C U next Tuesday)  
(I'll C U next Tuesday) So I'll C U next Tuesday  
If I ever get desperate  
Or I'm so beyond faded, it's just a'll C U next Tuesday  
Kinda nice out this morning  
I won't sit around waiting And I'm not just being cold  
I'm just watching you pretend

Like your heart is on your sleeve  
When I know you have a girlfriend  
(I know you have a girlfriend)  
I'll C U next Tuesday So I'll C U next Tuesday  
So I'll C U next Tuesday  
(I'll C U next Tuesday)  
So I'll C U next Tuesday  
(I'll C U next Tuesday)  
So I'll C U next Tuesday
