

I Could Get Used To This Lovin' Thing

[Alan Jackson](#)

I could get used to this lovin' thing
The way you call my name in love's embrace
I could get use to you everyday
And your tender ways, I kinda like this lovin' thing
I've had romance a time or two
Infatuation then I found you
I've had 'em steal my heart and run
And that ain't fun for anyone
I could get used to this lovin' thing
The way you call my name in love's embrace
I could get use to you everyday
And your tender ways, I kinda like this lovin' thing
I like the way you make me feel
And what I feel feels like it's real
I never once said I love you
Until I felt the one that's true
Yeah, I could get used to this lovin' thing
The way you call my name in love's embrace
I could get use to you everyday
And your tender ways, I kinda like this lovin' thing
Yeah, I could get used to this lovin' thing
The way you call my name in love's embrace
I could get use to you everyday
And your tender ways, I kinda like this lovin' thing
Yeah, I could get use to you everyday
And those tender ways, I kinda like this lovin' thing
