Devil's Road

HEADSTONES

Devils RoadV1: down the devils road
i walk every night
no light to show the way
into the darkness
i will go forth
drawn to the night never the dayV2: meany people dispise of me
some only ignor me
and yet others fear me
for they don't understand what i seeCH: down the devils road
i walk all my nights
down the devils road
i see dark sights
down the devils road
i walk every night
down the devils road
full moon shines so bright
down the devils road
spells by candle lightV3: black magik devours my sole
evil rules my mind
there is no limit for me
or foy any of my kindV4: Death is my life
it is all i know
i will reveel in the end
for i walk down the devils road once againCH: down the devils road, i walk every night
down the devils road, in the full moon light
down the devils road, to hells gates
down the devils road, i can not escape
down the devils road,
he just oppened his gates
let me in
