Angel Of Mercy

Albert King

I went to work this mo'nin'
My foreman looked me in the eye
He said, "Fella I don't know what's wrong with ya
But you look sick enough to die"He sent me to the company doctor
And he examined from head to toe
Whatever's wrong with ya, young man
My x-rays just won't showI say, angel of mercy
Won't you please look down on me?
Angel of mercy
A little mercy is all I needThe finance company
They just can't recieve my check
They say they want a payment by Friday
Or they want all-a the furniture backI went to the credit union
To try to get myself a loan
They said, "I would let ya have it young man
But we hear that you won't be workin' here much longerAngel of mercy
Won't you please look down on me?
Oh, angel of mercy
A little mercy is all I needLord have mercy
Oh angel
Oh
OhCut my lights off this mo'nin'
They set my furniture out doors
I was listenin' to the weatherman 'while ago
An' he's says it's gonna rain an' snowMy daughter's got pneumonia
An' my son is down with the flu
My whole family's sufferin' from malnutrition
And I can't even 'fford them soupI say, angel of mercy
Won't you please look down on me?
Oh, angel of mercy
A little mercy is all I need
