

# Transmission (Cast version)

## Joy Division

Radio, live transmission  
Radio, live transmission Listen to the silence, let it ring on  
Eyes, dark grey lenses frightened of the sun  
We would have a fine time living in the night  
Left to blind destruction, waiting for our sight We would go on as though nothing was wrong  
Hide from these days, we remained all alone  
Staying in the same place, just staying out the time  
Touching from a distance, further all the time Dance, dance, dance, dance, dance, to the radio  
Dance, dance, dance, dance, dance, to the radio  
Dance, dance, dance, dance, to the radio  
Dance, dance, dance, dance, dance, to the radio Well I could call out when the going gets tough  
The things that we've learnt are no longer enough  
No language, just sound, that's all we need know  
To synchronise love to the beat of the show And we could dance Dance, dance, dance, dance, to the radio  
Dance, dance, dance, dance, dance, to the radio  
Dance, dance, dance, dance, to the radio  
Dance, dance, dance, dance, to the radio
