

When I See You

[Macy Gray](#)

It's been three days since I screamed and hung up on ya
All I wanted was to hold you tight
I'm sorry baby never meant to be mean to ya
And I hope your coming back tonight You're hesitating 'cause you don't want to love affair
I promise baby it'll be alright
Truth is all I'm doin is missin ya
Thinkin about when I'm gunna see you [Chorus:]
Hey baby
When I see ya
I'm want to love you all over the place
Hey baby
When I see ya
I'm gunna kiss you all over your face
Yea yea
Yea yea It's been three days since you screamed and hung up on me
All you wanted was to hold me tight
Now you're calling to say hey and make up with me
But I think I need a little more time I'm hesitating 'cause I don't want to love affair
And I want to learnt o be alright
Truth it all I'm doing is missin ya
Thinking about when I'm gunna see you [Chorus:] Dance with me love
