Breakfast In Fur

Walk with me,
I'd like to know exactly how I seem,
If it's hard, if it's hard, if it's hard
Don't let me know,
'cause I'm not, no I'm not, no I'm not,
All what you hoped
In dreams. Won't you take me down
How you see my now,
Standing in the crowd,
Step back, turn around.
