

Johnny

NONONO

This case is closed
You're on your way to another
And all I know
Please me no
Which way we go, go? Wanna go where Johny goes Go, go Johny
Go, go Johny
Go, go, go, Johny When he goes alone
Watch he falls
He walks alone
Until he comes
The time is until the day
All day, day or dawn, please let me go
Which way we go? Go Wanna go where Johny goes Go, go Johny
Go, go Johny
Go, go, go, Johny But I still hear the sound
Oh, it's all around
I just wanna go where Johny is Wanna go where Johny goes Go, go Johny
Go, go Johny
Go, go, go, Johny
