

Last of Days (Live at the House of Blues)

A Fine Frenzy

Something causing fear to fly
Rising like a dark night
In silence
Traveling like a broken boat
Heading for the sky
And I'm an island I watched you disappear into the clouds
Swept away into another town The world carries on without you
But nothing remains the same
I'll be lost without you
Until the last of days The sun is in the east,
Rising for the beasts
And the beauties
I wish that I could tear it down,
Plant it in the ground to warm your face I built myself a castle on the beach
Watching as it slid into the sea The world carries on without you
But nothing remains the same
I'll be lost without you
Until the last of days
Until the last of days Through walls and harvest moons
I will fight for you The world carries on without you
But nothing remains the same
I'll be lost without you
Until the last of days
Until the last of days
