Warlot

Helheim

Born in fire and ice
Pure of heart, mind and soul
I crush the walls of ignorance
Never to betray my heritageYou can kill my body
But my ravishing moral I'll keep for myselfWarlot
I seek none but my own bliss
Grasped through the paragons I choose
Self-righteousness one can say
But in the end you have to choose your own wayNone stand before me
None can mock my ways
I quench my thirst through my own artistry
