

# Warlot

## Helheim

Born in fire and ice  
Pure of heart, mind and soul  
I crush the walls of ignorance  
Never to betray my heritage You can kill my body  
But my ravishing moral I'll keep for myself Warlot  
I seek none but my own bliss  
Grasped through the paragons I choose  
Self-righteousness one can say  
But in the end you have to choose your own way None stand before me  
None can mock my ways  
I quench my thirst through my own artistry
