

All That He Wants (American Jet Set)

Kill Hannah

american jet set
so young and cinemantic
just start the car and lets goamerican jet set
we need our blood stirred, dammit
get off the floor and lets go
like plastic figurines
lay in the back and blast the tape machineit's all that he wants
it's all that he wants
and all that he wants
is all that he wants
and all that he wants
is a minute with herto crash the ball and take her home
to break her heart and tear her clothes
to feel alive, young and terrifiedamerican jet set
heartsick and so dramatic
just fill the tank, i've had it
like plastic figurines
another burn-up on the airwavesit's all that he wants
it's all that he wants
and all that he wants
is all that he wants
and all that he wants
is a minute with herto crash the ball and take her home
to break her heart, and tear her clothes
to feel alive, young and terrifiedtake a car, hot-wired and drive out
this is an ugly town
and we have to get out
take a car hot-wired and drive out
this is a fucked up town
and it's freakin' me outit's all that he wants
it's all that he wants
and all that he wants
is all that he wants
and all that he wants
is a minute with herto crash the ball and take her home
to break her heart and tear her clothes
to feel alive, young and terrified
