

Goody Goody Gum Drops

Teenage Fanclub

I'm getting weaker, weaker
Every time I hear her name
Oh, she's getting sweeter, sweeter
The girl's driving me insane Oh yeah Goody goody gum drops
My heart's doing flip-flops
See what love can do
I'm gonna shout it from the rooftops
Goody goody gum drops
With a girl like you Everything is good about her
I just couldn't live without her
The moment I see her
The words come out this way Hey, hey, hey, hey Goody goody gum drops
My heart's doing flip-flops
See what love can do
I'm gonna shout it from the rooftops
Goody goody gum drops
With a girl like you Look into her baby blue eyes
Right down to her her tiny shoe size
The moment I see her
There's nothing left to say I'm getting weaker, weaker
Every time I hear her name
Oh, she's getting sweeter, sweeter
The girl's driving me insane Oh yeah Goody goody gum drops
My heart's doing flip-flops
See what love can do
I'm gonna shout it from the rooftops
Goody goody gum drops
With a girl like you Oh yeah Goody goody gum drops
My heart's doing flip-flops
See what love can do
I'm gonna shout it from the rooftops
Goody goody gum drops
With a girl like you Goody goody gum drops
My heart's doing flip-flops
See what love can do
I'm gonna shout it from the rooftops
Goody goody gum drops
With a girl like you Woo woo Goody goody gum drops
My heart's doing flip-flops

See what love can do
I'm gonna shout it from the rooftops
Goody goody gum drops
With a girl like youGoody goody gum drops
