

# Party All The Time

## Black Eyed Peas

Party all the timeParty all the timeParty all the timeParty all the timeIf if we could party all night

And sleep all day

And throw all of my problems away

My life would be easy

My life would be easy

I would drink and go out out

With my crew party party

All the time yeah that's what I do

I do Mac models pop bottles

Live like like a sheik

(party)

Monday through Sunday

Every day of the week

Hot octane light

In the fast lane zoom

And the joint don't pop till

I walk in the room

And the DJ's rocking my favorite tune

And their shaking up the speaker like

Boom boom boomIf we could party all night

And sleep all day

And throw all of my problems away

My life would be easy

My life would be easyIf we could party all night

And sleep all day

And throw all of my problems away

Easy

Our lives would be easy

Life would be easyParty all the timeParty all the timeParty all the timeParty all the timeParty

all the timeParty all the timeIf if we could party party party (hey)

Make that body down (yo)

Ladies don't stop it (no)

Shake it round and round

Feel that bass bumping

And rock to the beat

This beat is steady bumping

They jumping off their feet

Check it out

Ladies got their hands in the air

Shake it like you just don't care  
Party it down like yeah (yeah)  
Somebody say yeah (yeah)

Check it out

Check it out
