

My Love

Nikki Jean

The sun will rise thru tears in my eyes
If you go so don't cause those rainbows
Would be only prison to me
I'm like white light prism I'm free
I'm with you that's who I want to be
It's what you do for me You my love
Nothing but the best for you
That's why I'm giving you
My love
Nothing less you know it's true
When I lay me
Down to sleep
Pray that you'll
Forever be
My love
Tell me what you're gonne do
With all of my love
Forget a penny the feed fountain a dime
Each day a way is a mountain to climb I'm
Wishin u were here
Cause then I could fly
I try still cry though
When you say goodbye
So make it real
Don't you know you
Make me feel
Like we could seal the deal
That's why I'm giving you
My love
Nothing but the best for you
My love
Nothing less you know it's true
When I lay me
Down to sleep
Pray that you'll
Forever be
My love
Tell me what you're gonne do
With all of my love My love

If you're good
Then you can get
My love
You know you're never losin with
My love
I'm showin while provin it I'm
Like I doMy love
Nothing but the best for you
My love
Nothing less you know it's true
When I lay me
Down to sleep
Pray that you'll
Forever be
My love
Tell me what you're gonne do
With all of my love
