Sailin' Around

John Prine

Sailin' around, Sailin' around, Sailin' around,
I've been out sailin' around again
I've been sailin' around
But I can't get back to youHangin' around, Hangin' around, Hangin' around
I've been out hangin' around again
I've been hangin' around
But I can't get back to youSo tell where you been so long (sailin' around)
What have I done so wrong? (sailin' around)
Well, I'm so glad I finally found you
I can't wait to put my arms around you
Sailin' around, but I can't get back to you
Shoppin' around, Shoppin' around, Shoppin' around,
I've been shoppin' around again
I've been shoppin' around
But I can't get back to youSo tell where you been so long (sailin' around)
What have I done so wrong? (sailin' around)
Well, I'm so glad I finally found you
I can't wait to put my arms around you
Sailin' around, but I can't get back to you
Sailin' around, Sailin' around, Sailin' around,
I've been sailin' around again
I've been sailin' around but I can't get back to you.
I've been sailin' around but I can't get back to you.
I've been sailin' around but I can't get back to you.
