

# Pilgrimage (2006 Remaster)

R.E.M.

Take a turn take a turn  
Take our fortune take our fortune They called the clip a two headed cow  
Your hate clipped and distant your luck pilgrimage  
Rest assured this will not last take a turn for the worst  
Your hate clipped and distant your luck a two headed cow  
The pilgrimage has gained momentum  
Take a turn take a turn  
Take our fortune take our fortune Speakin' in tongues it's worth a broken lip  
Your hate clipped and distant, your luck, pilgrimage  
Rest assured this will not last, take a turn for the worst  
Your hate clipped and distant, your luck a two-headed cow  
The pilgrimage has gained momentum  
Take a turn, take a turn  
Take our fortune, take our fortune Pilgrimage, pilgrimage. Speakin' in tongues, it's worth a broken lip  
Your hate clipped and distant, your luck  
Rest assured this will not last, take a turn for the worst  
Your hate clipped and distant, your luck two-headed  
The pilgrimage has gained momentum  
Take a turn, take a turn  
Take our fortune, take our fortune Pilgrimage, pilgrimage.  
The pilgrimage has gained momentum  
Take a turn, take a turn  
Take our fortune, take our fortune  
Take a turn, take a turn  
Take our fortune, take our fortune
