

Choices (News Of The World Acoustic)

The Hoosiers

In the morning
I could take the burning sun
I could be the only warning but im not the only
So forgive me, Cause its more than I can bear
In demand I make my mind up by deciding not to care Stop giving me choices
Stop giving me choices I'm the victim, of this day and age
I've forgotten how to feel
I've forgotten how to change
So I surrender, to the apple of my eye
I surrender to the wind, I will let the wind decide Stop giving me choices
Stop giving me choices
Stop giving me choices
Stop giving me choices I could Break it, I could break it till it hurts
I could take Whatever words you say, Pretend I never heard
So Forgive me, shouldn't be so hard
It's they way I'm put together, so your never getting past Cant we talk this through
Actions are not what I'm used to
Cant we talk this through
Actions are not what I'm used to Stop giving me choices
Stop giving me choices
Stop giving me choices
Stop giving me choices
(I surrender)
Stop giving me choices
Stop giving me choices
(Just forgive me)
Stop giving me choices
Stop giving me choices Without Friction, We Would float up into space
Maybe you could be the friction that will keep me in my place
In the morning, I could take the burning sun
I could be the only warning but I'm not the only one
