We Found Love

Martin Halla

Yellow diamonds in the light
Now weâ€™re standing side by side
As your shadow crosses mine
What it takes to come alive

Itâ€™s the way Iâ€™m feeling I just canâ€™t deny
But Iâ€™ve gotta let it go

We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place

Shine a light through an open door
Love a life I will divide
Turn away 'cause I need you more
Feel the heartbeat in my mind

Itâ€™s the way Iâ€™m feeling I just canâ€™t deny
But Iâ€™ve gotta let it go

We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place

Yellow diamonds in the light
Now weâ€™re standing side by side
As your shadow crosses mine

We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place

We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
