Silvery Sleds

Army Navy

We were the gray sound boys
We break
We just make dents
Weather the coldest hearts
On the warmth of the warm hands
We float away on silvery sleds
Perfecting my useless charms

We bend we break we just can't stand it
We got no money so we're running away
This time is wrong let's demand it
Is there a cure

Between the cracks in the asphalt
The lines are drawn
We quickly divide
Men from the boldest dorks

As the summaries migrate
The frost recedes we wait for the fight
Or hide in the thickest fog

We bend we break we just can't stand it
We got no money so we're running away
This time is wrong let's demand it
Is there a cure

'Cause everybody knows there's no solution
Not everybody gets what they would like
I don't wanna be in this place forever
I don't wanna be here for tonight
I'll hit my stride in some other life

'Cause everybody knows there's no solution
Not everybody gets what they would like
I don't wanna be in this place forever
I don't wanna be here for tonight
If I try to run you'd think I might find it
I don't think there is time
If you wanna go that's your decision

Never been the one that said goodbye

'Cause everybody knows there's no solution
Not everybody gets what they would like
I don't wanna be in this place forever
I don't wanna be here for tonight
If we try to run you'd think I might find it
I don't even think that there is time
If you wanna go that's your decision
Never been the one that ever said goodbye
