Anyplace, Anywhere, Anytime (new version)

<u>Nena</u>

Like a hammer on a drum Like footprints in the sand From the moment we are born There's an imprint on your handWrap your fingers 'round my neck You don't speak my dialect But our images reflect Drawn together by the flame We are just the same Embrace the wind and fall into Another time and spaceIf we belong to each other, we belong Anyplace anywhere anytime I'm going to any world you're coming from Anyplace anywhere anytime Another story, time and age You were a pirate from the sea Words sail across the page Crash like thunder suddenlyBits and pieces from your storm Rain upon me as they form Melt into my skin and I feel warm Sweep upon me like a wave We are young and brave Embrace the wind and float into Another time and spaceIf we belong to each other, we belong Anyplace anywhere anytime I'm going to any world you're coming from Anyplace anywhere anytime If we belong to each other, we belong Anyplace anywhere anytime I'm going to any world you're coming from Anyplace anywhere anytimeIf we belong to each other, we belong Anyplace anywhere anytime I'm going to any world you're coming from Anyplace anywhere anytime Anyplace anywhere anytime Anyplace anywhere anytimeAnyplace anywhere anytimeAnyplace anywhere anytime Song Discussions is protected by U.S. Patent 9401941.
