

Search and Destroy (The Stooge

Emanuel

I'm a street walking cheetah with a heart full of napalm
I'm a runaway son of the nuclear A-bomb
I am a world's forgotten boy
The one who searches and destroys
Honey gotta help me please
Somebody gotta save my soul
Baby detonate for me
Look out honey, 'cause I'm using technology
Ain't got time to make no apology
Soul radiation in the dead of night
Love in the middle of a fire fight
Honey gotta strike me blind
Somebody gotta save my soul
Baby penerate my mind
And I'm the world's forgotten boy
The one who's searchin', searchin' to destroy
And honey I'm the world's forgotten boyt
The one who's searchin', searchin' to destroy
Forgotten boy, forgotten boy
Forgotten boy said hey forgotten boy
