

Fresh

Vacationer

Took the bag along, wanted to leave by the wayside.

It's a tag-a-long, spent enough time carryin' on.

You came my way, with a wave and a fair shake.

Took your time, pleasant ways of easin' on my harsh memories...

Fadin' away...

With youuuuuuu-uuuuuuuuuu-uu.

With youuuuuuuu, with youuu.

With youuuuuuu-uuuuuuuuuu-uu.

With youuuuuuuu, with youuu.

You sit off, let it fall by the wayside.

You came right on, won't you come with me home?

I love this shade, under your light I stay in fresh memories...

I create...

With youuuuuuu-uuuuuuuuuu-uu.

With youuuuuuuu, with youuu.

With youuuuuuu-uuuuuuuuuu-uu.

With youuuuuuuuuuuuuuuuuuu.

Fresh memories, overcame those not so fresh memories...

Wash awaaaaaay...

With youuuuuuu-uuuuuuuuuu-uu.

With youuuuuuuu, with youuu.

With youuuuuuu-uuuuuuuuuu-uu.

With youuuuuuuuuuuuuuuuuuu.
