

# You Broke Up with Me

Walker Hayes

[Verse 1]

Well, I got some Coke in my bourbon  
Surfin' the room like Swazye  
No, I ain't drunk, I'm amazing  
Yeah, I got that laid way, way back, back in my swagger  
X-Factor, feeling no pain, I'm at the top of my game[Pre-Chorus]  
Darlin', you can't crash my party with your sorry's and what are we's  
Don't start raining on my Mardi Gras parade for a minute  
I ain't even fixin' to listen to your guilt trippin'  
You're forgettin', girl, you made your bed and didn't want me in it (Hey!)[Chorus]  
Whoa, girl, simmer on down a notch  
Ain't nobody makin' you watch me get my forget you on  
No, girl, can't touch my good as gold  
I know it's difficult to see me on a roll  
But hey, you broke up with me  
Yeah, what can I say, babe, you broke up with me[Verse 2]

Guess you don't know what you want  
'Til you see 'em movin' on  
Making lonely look like freedom  
Baby, don't even act like I'm doing something wrong  
If my song comes on and I get lost on that dance floor  
In somebody's arms that ain't yours[Pre-Chorus]  
You can't crash my party with your sorry's and what are we's  
Don't start raining on my Mardi Gras parade for a minute  
I ain't even fixin' to listen to your guilt trippin'  
You're forgettin', girl, you made your bed and didn't want me in it (Hey!)[Chorus]  
Whoa, girl, simmer on down a notch  
Ain't nobody makin' you watch me get my forget you on  
No, girl, can't touch my good as gold  
I know it's difficult to see me on a roll  
But hey, you broke up with me

Yeah, what can I say, babe, you broke up with me[Bridge]

For real, babe, ain't tryin' to rub it your face  
I'm just breakin' off a little cold hard truth  
It is what it is, girl, you did what you did, girl  
I'm just doin' what a bachelor do[Pre-Chorus]  
Darlin', you can't crash my party with your sorry's and what are we's  
Don't be raining on my Mardi Gras parade for a minute  
I ain't even fixin' to listen to your guilt trippin'

You're forgettin', girl, you made your bed and didn't want me in it (Hey!)[Chorus]

Whoa, girl, simmer on down a notch

Ain't nobody makin' you watch me get my forget you on

No, girl, can't touch my good as gold

I know it's difficult to see me on a roll

But hey, you broke up with me

Yeah, what can I say, babe, you broke up with me You broke up with me

Yeah, what can I say, babe?

You broke up with me
