## Daft Punk

The prime time of your life  
The prime time of your life  
The prime time of your life

Now  
Live  
The prime time of your life

Now  
Live  
The prime time of your life

Now  
Live  
The prime time of your life

(Do it)  
Now  
(then)  
Live  
(today)  
The prime time of your life

(Do it)  
Now  
(then)  
Live  
(today)  
The prime time of your life

(gonna do it)  
Now  
(gonna treat in)  
Live  
(Today)  
The prime time of your life

(gonna do it)  
Now  
(gonna treat in)

Live  
(Today)  
The prime time of your life

(gonna do it)  
Now  
(gonna treat in)  
Live  
(Today)  
The prime time of your life

(gonna do it)  
Now  
(gonna treat in)  
Live  
(Today)
