

That Man Is Me

Johnny Reid

You tell me that your hungry baby
You're starving for a deeper love
You tell me that your body's yearning
For someone to wrap you up
You want a man who understands
Everything that a woman needs
Oooh oooh oooh oooh baby
That man is me
Oooh oooh oooh oooh baby
That man is me
You tell me that your over it baby
You're sick and tired of all the foolish games
You tell me that your hearts been searching
For another who might feel the same
You want a man who understands
Everything that a woman needs

Oooh oooh oooh oooh baby
That man is me
Oooh oooh oooh oooh baby
That man is me
You want a man who understands
Everything that a woman needs
You want a man with two strong hands
Who can take you where you wanna be
Oooh oooh oooh oooh baby
That man is me
Oooh oooh oooh oooh baby
That man is me
Oooh oooh oooh oooh baby
That man is me
Oooh oooh oooh oooh baby
That man is me
Oooh oooh oooh oooh baby
That man is me
