

Wonderland (Martynas Auglys Remix)

Stadiumx

I have fallen
Through a hole in the sky
Finally woken
Never felt so alive Give us sweet release
Forgetting everything
Escaping from my mind
We come undone
Heart with every beat
Touching you and me
And then we become one I wanna feel you tonight
Don't need to see so I close my eyes
Just let the light take our hand
We're falling deep into wonderland
Into wonderland
Into wonderland (Instrumental)
If I were to fall through a hole in the sky
If I wanted to run and let go of my mind
Would you follow me
Now would you follow me
Would you follow me
Into wonderland I wanna feel you tonight
Don't need to see so I close my eyes
Just let the light take our hand
We're falling deep into wonderland
Into wonderland
Into wonderland (Instrumental)
Into wonderland
