Be My Girl

Smith Westerns

Girl, I think it's time
That I let you know
About the way I really feel
I just can't wait no more
Be my baby
Be my girl
I wanna be the one
That steals your heart away
I wanna hold you in my arms
And fill you with all my charms
(Be my baby)
Be my girl
(Be my girl)
Baby, I love it when we're walkin'
Darlin', I love it when we're talkin'
When you touch my hand
You brighten up my day
No one else can make me feel
Girl, this special way
Be my baby
Be my girl
(Be my girl)
Baby, I love it when we're walkin'
Darlin', I love it when we're talkin'

(Be my girl, be my girl, be my girl)
Yeah
(Be my girl, be my girl, be my girl)
Girl, it's for real
All this love that I feel
Girl, I think it's time
That I let you know
About the way I really feel
I just can't wait no more
Be my baby
Be my girl
Won't you be my girl, oh yeah
(Be my girl, be my girl, be my girl)
Be my girl, baby, oh yeah

(Be my girl, be my girl, be my girl)
Won't you be my girl, oh yeah
(Be my girl, be my girl, be my girl)
Be my girl, baby, oh yeah
(Be my girl, be my girl, be my girl)
Be my girl, baby, oh yeah
(Be my girl, be my girl, be my girl)
